

## Data Centre World - Singapore

Data Centre World is Asia's largest gathering of data centre knowledge experts and professionals from around the world. The sixth edition of Data Centre World delivers world-class industry knowledge, innovation, thought-leadership on-hand to listen, advise and collaborate with you and your entire team.

This year's event will attract 15,000 senior IT professionals, deliver a blockbuster line-up of 300 world-class exhibitors, two exciting days of free content from 500 international practitioners and peerless networking opportunities.

New and major 2018 show features includes **the Live Data Centre of the Future feature, exciting panel discussions covering the most pertinent Data Centre issues.**

The award-winning event is co-located with Cloud Expo Asia, Cloud & Cyber Security Expo, Big Data World, Smart IoT Singapore and new launch event, eCommerce Expo Asia – gain access to all 6 co-located events with just ONE ticket.
